FORMULA TO CALCULATE THE PRICE OF YOUR GARMENT
(GARMENT COST + IMPRINT FEE) x (QUANTITY) = TOTAL

IMPRINT CHARGES

Table to the right includes screen charges and set up for camera ready artwork. The costs do not include the garment. If artwork assistance or logo creation is required and estimate will be provided at a rate of \$35/hour. Converting existing artwork to vector artwork will be charged \$15-\$30 depending on complexity.

DARK APPAREL IMPRINT FEES

Dark apparel or bright colored apparel, requires a base white ink for vibrancy. The imprint charges for dark apparel in the table to the right factors in the base color.
